

FINAL EXAM INSTRUCTIONS

I will post the exam on the NewsFeed section of the Sleemanomics website at **9 am** on **Tuesday, June 8th**, and remove it at **10 am**. You have a whole hour so you should have plenty of time. However, *do not spend more than a minute on a question* before choosing a possible answer and moving on to the next question. Return to the doubtful answer(s) after you have answered question 33. Remember that your first, "gut", reaction to the question was *probably* correct.

Set up an email to me allan.sleeman@icloud.com with 33 numbers for the 33 questions. When you get the exam insert the letter of the correct alternative by each number. Please make your answers as easy to read as possible – columns help but are **not** mandatory.

When you are finished with the exam email your answers to me **ASAP**. I will mark them by hand and send in the grades in the usual way.

Get your answers to me **no later than 10.10 am on Tuesday.**
