

FIRST MID-TERM ADVICE 4-25-21

THE FIRST EXAM WILL BE ON FRIDAY APRIL 30th at 12 noon.

I posted the [format](#) for the exam on the NEWS FEED on [4-6-21](#). If you have not read it by now do so ASAP!!! If you have questions email me ASAP.

If you have forgotten all the invaluable advice I gave you at the beginning of the quarter go to the NEWS FEED to refresh your memory.

Move through the questions smartly. You have slightly more than a minute per question, ample time *if* you really know the material. Do **not** get bogged down on any question. If the answer is not obvious to you then choose one of the more likely foils and move on, marking the question so that you can come back to it at the end of the exam.

Be sure to answer **all 33** questions.

Here is my usual grade distribution. Remember, if you mess up on the first mid-term you can take the final and I will drop your lowest score.

GRADE	SCORES
A	28-33
A-	27
B+	26
B	24-25
B-	23
C+	22
C	20-21
C-	19
D+	18
D	16-17
D-	15
F	0-14

Some of the questions are really easy, a few are moderately difficult.

I will mark the exam and post the Exam Report with your scores as soon as I can – sometime on Friday I hope, if not on Saturday. I have 60 sets of answers to mark and check so it will take time.

I will set the exam on CM1-CM11. I will give you a more accurate breakdown in the next couple of days.

Good luck. Don't panic!
